Subject: Purchase Card Request Confirmation - West Fertilizer Co. - Legal name is Adair Grain, Inc

Lydia,

This email serves to document our conversation earlier today during which you verbally gave me your approved to use my government purchase card to procure a copy of a recorded deed to identify & confirm the owner of record for the land area upon which Adair Grain, Inc. dba West Fertilizer Co. has been operating.

Total purchase cost of the deed copy was \$6.00.

Please acknowledge via return email.

Bob Werner
